### RELIABLE NETWORK TRANSIT AND SPEED

“The biggest benefit we have seen is that Level 3 is on top of things. We have yet to have any issues related to transit on their network and our video subscribers are loving the boost in speed!”

### OUR MOST STRATEGIC PROVIDER

#### How our organization uses Level 3’s Network Solutions:

“We use Level 3 for our global footprint, core to our network. We use other providers, but Level 3 is the most strategic.”

#### Would you recommend Level 3’s Network Solutions?

“Yes. In one word, flexibility. They are open to feedback and willing to be very transparent, all the way up to CEO.”
